

DISCOVERY
ELEMENTARY

Mike Dudley, Principal

To Whom It May Concern,

I highly recommend Laura Geis as a candidate for a teaching position. I have had the opportunity to work with Laura at Discovery Elementary School. We have had the opportunity to have her do her student internship and student teaching during this past year.

Laura has a wonderful rapport with students, staff, and parents. Her ability to connect with her students and her talent at teaching skills, as well as more advanced topics, are both truly superior. She has excellent written and verbal communication skills, is extremely organized, reliable and computer literate. Laura can work independently and is able to follow through to ensure that the job gets done. She accomplishes these tasks with great initiative and with a very positive attitude.

I recommend Laura to you without reservation. She is highly qualified for any teaching position. If you have any further questions with regard to her background or qualifications, please feel free to call me at my office, (208) 855-4090 or (208) 340-0813.

Respectfully,
